SUMMARY

Final-year B.Tech student at IIIT Bhopal with a 9.39 CGPA, strong DSA background (CF Specialist, LC Knight), and experience building secure, scalable full-stack web apps.

EDUCATION

Indian Institute of Information Technology Bhopal
Bachelor of Technology in Information Technology (IT)

November 2022 - Present

CGPA: 9.39

Relevant Coursework: Data Structures and Algorithms, Object Oriented Programming, Database Management Systems, Software Engineering, Operating Systems, Artificial Intelligence, Computer Networks

WORK EXPERIENCE

Digital Guruji | Full Stack Intern - Node.js, Express, JavaScript, Flask, Zapier, AI4Chat.co

August 2024 - April 2025

- Developed **AI-powered workflows** using **Zapier, Flask, and Node.js** to automate client processes, boosting delivery efficiency by **40%**.
- Engineered backend logic for **10+ integrations** with secure **API services**, reducing server response time by **25%**.
- Delivered scalable tools like **Airbrush (AI image gen)** and **Brandscreen (testimonials)**, serving **500+ monthly users**.

CODAME, IIIT Bhopal | Web Developer - Next.js, JavaScript, TailwindCSS, Node.js, Express

September 2023 - April 2024

- Spearheaded development of the club's official website, which delivered seamless UI/UX across devices and **enhanced performance by 15 %** through lazy loading, caching, and route-based code splitting
- Built **5+ reusable components** using React hooks, boosting scalability, development speed, and overall code maintainability
- Collaborated within a **3-member Agile team** to ensure timely delivery across multiple sprints, ensuring smooth coordination and meeting project deadlines

ACADEMIC PROJECTS

FileShare: Secure File Sharing Web App | Next.js 14, TailwindCSS, Clerk Auth, Resend Email, Firebase

[Live](#) | [GitHub](#)

- Deployed a secure file-sharing app with **OAuth login, password protection, and role-based access**, increasing user trust and document security across 100+ users.
- Boosted file upload speed by **40%** and improved onboarding by **70%** via Firebase rules, debouncing, and lazy-loading.
- Added download tracking to enable **real-time visibility and file usage auditing**.

SkillSync: Student Coding Tracker | MERN, Cron, Redis, Nodemailer, Codeforces API, Shadcn-UI

[Live](#) | [GitHub](#)

- Engineered a full-stack dashboard visualizing **contest stats, activity trends, and submissions** for 100+ students by integrating the Codeforces API.
- Cut API dependency by **60%** using **cron-based syncs** and **Redis caching** for faster data loading.
- Improved engagement by **25%** using Nodemailer to send personalized nudges to inactive students.

Doczilla: AI-Powered Document Assistant | LangChain, FAISS, Transformers, Groq API, Gradio, Render

[Live](#) | [GitHub](#)

- Developed an intelligent PDF assistant enabling **real-time semantic search** using **LangChain, FAISS**, and Transformer models, achieving **95%+ query accuracy** across diverse documents.
- Deployed a responsive and low-latency **Gradio interface on Render**, enhancing user experience with a **40% reduction in query response time** and smooth interaction with uploaded PDFs.

ACHIEVEMENTS

- Ranked in the **top 4.1% globally** on **LeetCode**, solving **650+ problems** with a peak rating of **1910** and earning the **Knight** badge
- Attained **Specialist** title on **Codeforces** with a rating of **1410**, demonstrating high-speed coding accuracy in rated contests
- Secured **3-Star** on **CodeChef** (rating: **1683**), ranking in the top **1.5%** among **300K+ global participants**
- Reached **4-Star** status on **GeeksforGeeks** (score: **1982**, rank: **512**), with advanced-level coverage of algorithmic problems

SKILLS

- Languages:** JavaScript, Python, C, C++, Java, Go, SQL, HTML, CSS
- Frameworks & Libraries:** React, Next.js, Node.js, Express.js, Redux, Socket.io, TailwindCSS, Bootstrap
- Developer Tools:** Git, Docker, Jupyter, Postman, VS Code, Vercel, Render, Hugging Face Spaces
- Databases & Auth:** MongoDB, PostgreSQL, MySQL, Firebase, JWT, Bcrypt.js
- Soft Skills:** Leadership, Teamwork, Event Management,

CERTIFICATIONS

- Google Cloud Computing Foundations**
- AWS Educate: Cloud 101**
